

## Bringing your own DEVICE Agreement for Classroom Use

As at February 2015

As a school we take the safety of our students very seriously; we do our very best to protect them while using global information systems such as the computer, iPod or the Internet. Upon enrolment students and parents are asked to read and sign one important document: *Student Permissions Form*

Tick to indicate

I / We agree that while the school supplies a secure, lock-up for valuables, my/our child is responsible for their device. While the school will take every precaution to ensure safety and security of the device, it does not take any responsibility for any lost, damage or theft.

I / We understand that there may be times when the use of the device is not appropriate, and agree that my / our child will power down the device when asked by a member of staff.

### Safety and Restrictions

Many mobile devices have parental controls built-in. These are accessed through tapping Settings > General > Restrictions (or similar).

I / We agree that any downloading of Apps will be done outside the school environment, ie at home.

I / We have Enabled the Restrictions

I / We have signed out of my / our iTunes Store account or other device stores. Check this by tapping Settings > Store. It should read "Account: Not signed in" or something similar depending on the device.

### Device Information
